

GAYLORD GAS

Gaylord Gas & The Salvation Army...

Working towards building a better tomorrow by helping others today.

Gaylord Gas...providing warmth, comfort, and peace of mind!

Ever wondered what to do with out of date, non-usable propane grill tanks? In an effort to help those less fortunate heat their homes, Gaylord Gas will accept any non-usable grill tanks at any of its 3 locations in Northern Michigan for recycling. All proceeds received from recycled grill tanks will be donated to the Salvation Army with distributions made to propane home heating assisted individuals and families in Michigan. Proper grill tank recycling has a positive impact on our environment and fosters the safe handling of propane use.
